PRESIDENT'S MESSAGE

Things are happening in the Kenmore Community.

Attorneys Dennis Thompson and his wife, Christy Bishop are extensively renovating three buildings on Kenmore Boulevard for business and residential use. Two business locations are in operation and the third one is expected to be occupied soon. There will be ten new furnished apartments completed in the next few months.

Young's historic building has been removed and a new mixed use complex will replace it. Construction is expected to begin in the Spring.

The area across Manchester Road from Young's and South of the canal will be developed by Summit County Metro Parks after the storage buildings are removed. This is expected to begin in the Spring.

These are all positive signs for our community and will lead to other activity.

THOMPSON & BISHOP

Attorney Dennis Thompson and his wife, Christy Bishop were the speakers at The Kenmore Board of Trade meeting on January 5, 2011.

Dennis and his wife have a lot of ideas for development in the Kenmore Community and Dennis especially is not timid about expressing them to anyone interested.

Many people attended the meeting to hear what Dennis and Christy had to say and not a few stayed after the meeting to discuss what was presented.

There was an open house at the offices of Thompson & Bishop attended by many including the Board of Directors of The Kenmore Board of Trade. Tours of the offices and the apartments were given. This is a first class redevelopment and is the beginning of other projects.

The Community of Kenmore is in excellent location with easy access to or from anywhere in the region.

We have easy access to the bike trail which we will look at in later newsletters and also convenient bus services.

**General meetings of The Kenmore Board Of Trade are held the first Wednesday of each month @ 11:45 am. at The Church On The Boulevard ,
754 Kenmore Boulevard, Akron, OH 44314**

The Kenmore Board Of Trade represents the business interests in the Kenmore Community and Summit County and we are interested in hearing from our members.
