

GOOD THINGS ARE HAPPENING  
IN THE KENMORE COMMUNITY

December 2011

**PRESIDENT'S MESSAGE**

For 2012 the Kenmore Board of Trade is planning to move to the next level with more activity to promote business in the community.

Good things are happening in our community and we want to see that they continue and increase. There are a lot of opportunities. Look at our Kenmore Connection.

However, we as officers and board members cannot do it by ourselves. We need people in our community to step up to the plate and work on upcoming projects. The more help that we get the more that we will be able to do.

There will not be a general meeting on the first Wednesday in December. Instead we are having a Christmas Party, Dinner & Induction of Officers on Thursday, December 15th, at The Church on the Boulevard. An invitation to will soon be coming your way, so please RSVP as soon as possible.

At the KBOT General Meeting at The Church On The Boulevard on November 2, 2011, the election of officers was had and those listed on the left were elected.

Our speakers for the meeting were Pam Bartlett, Cheryl Radvansky and Barbara Dockrill from Key Bank.

They discussed programs offered at Key Bank such as Key At Work, Key Community Mortgage, The Renewal Program, Home Path, and programs for veterans.

Even though the economy is tight and banks are cautious about lending, there are still opportunities available for both businesses and personally. Our speakers answered many questions about these opportunities.
