PRESIDENT'S MESSAGE

This month I would like to encourage people to consider the many advantages that we have because we are located in the Village of Kenmore.

Real estate values are reasonable for anyone looking for housing, investment opportunities or a place to open a business. Access is easy for us to go anywhere or for others to visit here with several major highways running thru our community. We are close to the Akron/Canton Regional Airport, the Portage Lakes, and The University of Akron. We have Mudd Run Golf Course, The Water's Edge Canoe and Kayak Livery, and the Towpath Trail for our enjoyment. We have the Kenmore Community Days Festival on the Memorial Day weekend at Prentiss Park, Summer Concerts at Shadyside Park, the Kenmore Holiday Celebration in December, and the Easter Craft & Egg Hunt.

Some people like to dwell on the negative, I don't. Negative thoughts and words create negative circumstances. The World is full of negative circumstances, we don't need more.

Let's think and talk about how blessed we are to be here and what improvements we can make in our village.

Thank you.

ARM / Baylor Notifies Members About Dividend

Governor Kasich en-dorsed action proposed by BWC Administrator/CEO Steve Buehrer to request that the BWC Board of Directors authorize a one-time dividend of \$1 billion. Each employer's dividend will reflect 56% of what they were billed during the last policy period (July 1, 2011 to June 30, 2012 for private employers; January 1, 2011 to December 31, 2011 for public taxing districts).

Private employers must have an up-to-date policy and be in an active, reinstated or debtor in possession status as of April 1, 2013, in order to be eligible for the dividend. Public-taxing districts must have an up-to-date policy and be in an active or reinstated status as of March 31, 2013 to be eligible.

Safety training required by the BWC in order to be eligible for rebates on premium paid during the current policy year must be completed by June 30, 2013. Contact our workers' compensation program administrator Bruce Baylor at 440-546-7600 or bbaylor@baylorwc.com with any questions.

Christy Page, Akron's BBB President, speaks at May 1st luncheon (left), and member Tim Crawford (right) wins the door prize at the luncheon.
