## PRESIDENT'S MESSAGE

November 2013

Things are happening in the Village of Kenmore. The Hemminger School area has been cleared to make room for Kenmore Place, a 40-unit senior housing project.

Fred Zumpano of Fred Zumpano Design and Construction Inc will be our speaker at the next meeting of the Kenmore Board of Trade on November 6th, 2013, at noon, at The Church On The Boulevard to give us an update on the project.

This will be a big boost to our village as it will cause some other improvements and changes all for the better.

Mark your calendar for the Kenmore Board of Trade Christmas Celebration Banquet at the Woman's City Club, Thursday evening, December 12th, 2013.
